

Visit to Khan Mushroom Farm

Department of Agriculture, Sri Guru Teg Bahadur Khalsa College organised an visit on 19 November, 2019 for 45 students of B.Voc. Food Processing Year I, II and III to Khan Mushroom Farm and Training Centre, Una (HP). Dr. Yusuf Khan, owner of Khan Mushroom Farm and Training Centre delivered a lecture on mushroom cultivation and its post harvest processing. The visit also included the demonstration of hydroponic vegetable cultivation and compost formulation. The Convener of the event was Dr. Shaveta Kaushal (HOD, Deptt. of Economics) and Dr. Renu Thakur (HOD, Deptt of Agriculture) and was coordinated by Ms. Aditi and Ms. Jasman. The students were familiarized with the economics and market scope of mushroom cultivation.
