Industrial Visit

The Department of Computer Science and Applications organized an Industrial Visit on January 25,2021 under DBT Star College Scheme for students of B.Voc 5th Sem (Software Development). The students visited Sebiz Infotech, Netsmartz, CS Solutions and Kleverrtech in industrial area, Mohali. The main reason behind this is to lets student to know things practically through interaction, working methods and employment practices. They also provide students a good opportunity to gain full awareness about industrial practices.

A group of 31 students B.Voc(SD)-5 th Sem got an opportunity to learn the basics of computing and technology lying at the company site accompanied by faculty members Ms. Manpreet Kaur and Ms. Inderdeep kaur of Computer Science Department.
