

Training programme on “Preservation of Food and Preparation of Jam, Murabba and Pickles”

A one day hands-on training programme on “Preservation of Food and Preparation of Jam, Murabba and Pickles” was organized by the Department of Agriculture on 29 September, 2019. Dr. Somesh Kumar from Horticulture Department Ropar practically demonstrated the preparation of apple jam, apple murabba and lemon pickle. The activity was sponsored by Ministry of Science and Technology under DBT Star College Scheme. A total of 80 students of B.Sc Agriculture and B.Voc. Food Processing attended the workshop and learnt about the role of food processing and preservatives in shelf life extension of food. Under the guidance of Dr. Renu Thakur, Head, Department of Agriculture the workshop was convened by Ms. Kamlesh Kumari and co-ordinated by Mr. Sarwan Kumar and Ms. Parminder Kaur.
