A one-day visit was arranged by Institution's Innovation Council of Sri Guru Teg Bahadur Khalsa College Sri Anandpur Sahib, under the management of Shiromani Gurdwara Parbandhak Committee to Government Senior Secondary School Phoolpur Grewal, Ropar. The main objective of this program was to make students aware about entrepreneurship programs for their self-employment and to inform about how IIC works. Dr. Gurpreet Kaur visited the school and through her lecture told the students about how they can start self-employment with their innovative ideas and explained that Institution Innovation Council of the college is making great efforts to achieve council's objective. She inspired the students by giving some examples, to express new ideas and move forward by creating start-up ideas on it. She also shared special information about self-employment innovative ideas and how government provides seed money to start the company.

Objectives: Accelerating R &D, Innovation and Entrepreneurship in the country

Benefits: Enhancing practical skills and motivate the students for start-ups
