Educational Visit to STPI Incubation Center, Mohali on 10th Feb, 2025

Institution's Innovation Council of Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib organized a one-day educational visit to the STPI Incubation Center, Mohali on 10th Feb, 2025. A group of 40 students from various disciplines participated in this visit. They were accompanied by faculty members, including Dr. Gurpreet Kaur, Prof. Tajinder Kaur, Dr. Gagandeep Kaur and Prof. Ramandeep Kaur.

The students had the opportunity to explore the incubation center and attend a series of insightful sessions on entrepreneurship, innovation, and the role of incubation centers in fostering start-ups. The experts at the center introduced students to various government schemes, funding opportunities, and mentorship programs available for aspiring entrepreneurs. They also shared real-world case studies of successful start-ups incubated at STPI.

Principal Dr. Jasvir Singh acknowledged the dedication of the IIC team and encouraged them to continue organizing such forward-looking initiatives. The visit proved to be highly beneficial, leaving the students inspired and motivated. They actively engaged in discussions about innovative initiatives and the possibilities of launching their own start-ups. This experience is expected to have a lasting impact on their academic and professional aspirations.

Objective: The primary objective of this educational visit was to provide students with practical exposure to incubation centers and entrepreneurial ecosystems.
