**Workshop on "Cyber Awareness Among Women"
on March 7, 2025**

The P.G. Department of Computer Science, in collaboration with the Institution's Innovation Council (IIC) of Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, successfully organized a workshop on "Cyber Awareness Among Women" on March 7, 2025. The session aimed to educate and empower female students with essential knowledge on cybersecurity, safe online practices, and strategies to protect themselves in the digital world.

The workshop was attended by approximately 120 female students, along with all faculty members of the Computer Science Department. The event was graced by the presence of Dr. Basant Subba, Assistant Professor, Department of Computer Science & Engineering, IIT Ropar, as the expert speaker. Dr. Subba, an accomplished researcher in Machine Learning and Deep Learning-based cybersecurity frameworks, shared valuable insights on identifying phishing websites, malicious URLs, and cyber threats that women often face in digital spaces. His engaging session provided practical tips and preventive measures to enhance cybersecurity awareness.

Dr. Jasvir Singh, Principal of the college, appreciated the efforts of the P.G. Department of Computer Science and IIC Team, commending their initiative in organizing such an impactful workshop. He also encouraged them to continue conducting similar training programs to spread awareness and strengthen digital security among students.

The event was successfully organized under the guidance of Dr. Surender Kumar, Head of the P.G. Department of Computer Science, and Dr. Gurpreet Kaur, President of the Institution's Innovation Council. Dr. Surender Kumar highlighted the importance of cybersecurity among women, emphasizing the need for vigilance while using online platforms and digital resources.

The workshop was coordinated by Prof. Tajinder Kaur, Assistant Professor (Computer Science), who also conducted the stage proceedings with the support of Prof. Paramjit Kaur, Assistant Professor (Computer Science), and the entire Computer Science faculty. Their collective efforts ensured the smooth execution of the event, making it an informative and engaging session for all participants.
