

MIC-driven Activity

Institution' s Innovation Council

Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib
Punjab, India (Autonomous College)

On

02.08.2024

(LECTURE session and interactions with participants)

(11:00 am- 12:30pm)

MIC-Driven Activities for the Quarter IV of IIC 6.0 (2023-2024) for IIC Institutions was carried out by delivery of a Youtube session of one and half hour. It was attended by 06 faculty members of Institution's' Innovation Council, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, Punjab under the management of Shiromani Gurdwara Parbandhak Committee on 02 August 2024 on the topic of “Building the pipeline of quality Innovation and startup in HEIs with Ecosystem Enablers by Creating and Managing YUKTI Innovation and IPR Repository (YIIR)”. The main objective of this program was to make the colleges aware about startup, entrepreneurship programs and how YUKTI Innovation and IPR Repository (YIIR)works. Dr. Gurpreet Kaur, Dr. Gagandeep Kaur, Dr. Mandeep Kaur, Prof. Paramjit Kaur, Dr. Hardeep Kaur, Dr. Tejinder Kaur attended the informative session.

Dr. Dipan Basu and others took the sessions on the various aspects of the main theme.

Objectives: Accelerating R &D, Innovation and Entrepreneurship in the country

Benefits: Forwarding information on the role and functioning of ATLS and SIC

No. of Participating Students: 05

No. of Faculty Participants: 0

YUKTI Innovation and IP Repository in HEIs

- YUKTI stands for "Young, Unique, Knowledgeable, and Talented Innovators"
- It is a platform aimed at fostering innovation and supporting new ideas in various sectors.
- Building a system of repository of ideas, innovations, and startups along with IP developed in academic institutions and enabling institutions to systematically foster the I&E culture
- Objectives
 - To aggregate and showcase innovative solutions and technologies from HEIs.
 - To channelize efforts of mentoring and nurturing to targeted innovations and startups effectively
 - To facilitate access to resources and funding opportunities within and outside the institutions.
 - To provide a platform for networking and collaboration with ecosystem enablers
