Process for mapping ATLS with IIC

1. Use URL for login- <https://iic.mic.gov.in/login>
2. On the Portal, the IIC can choose the ATL school by clicking on the "Choose to Mentor" button under the "Action column."
3. If a school has the word "Joined" next to it, that school has already linked up with another institute.
4. Once the "Choose to mentor" button has been clicked, one mail will be sent to the school.
5. In that mail, the school will receive a "Join Now" button.
6. Once the ATL school is added, the IIC may access the "Manage ATL schools" section to further the process.
7. If you want to add more schools, you may follow the above-mentioned steps.
