

Webinar on Intellectual Property Rights

To keep the academic graph of faculty growing in the present circumstances of social sequestering Department of Chemistry And IPR cell Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, Punjab, has taken a step forward and organized a Webinar on Intellectual Property Rights. The Webinar was conducted on the topic “Research & Patents” by Mr. Munish Arora, A Registered Indian Patent Agent dated 22nd June, 2020. The aim of the webinar was to present the basic information of IPR, its various contents, benefits and methodology to avail these rights. The speaker pervaded the participant faculty to switch their focus from merely publishing papers in high impact journals to filling patents, which in addition to secure their research provides them monetary benefits as well. The speaker elaborated the processes of patent searching and patent filling in a very interactive manner. Concluding the webinar Mr. Munish once again encouraged all the participants to come up with patent filling and satisfied all their quests regarding to this issue.

The screenshot displays a Google Meet interface during a webinar. The main content is a presentation slide titled "WHY PATENTS SEARCH NOT DONE IN ACADEMIC RESEARCH?". The slide features a blue curved arrow pointing to the right, with five colored spheres (yellow, blue, green, red, blue) placed along its path. Below the arrow, five labels are connected by lines to the spheres: "Hard to read", "Hard to understand Various Components", "Difficult to Search", "Patent Filing not encouraged", and "Push for filing more Research Articles". The meeting interface includes a top bar with the URL "meet.google.com/myk-ozhz-mup", a participant list showing "neha parmar is presenting" and "sameer kumar ... and 50 more", and a system tray at the bottom with various application icons and the time "11:52".
