**on**

**“Problem solving and Ideation”**

**on 29 November,2024**

PG Department of Computer Science, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with the Institutional Innovation Council, organized a one day workshop on "Problem Solving and Ideation" on November 29, 2024. The event was conducted for the students of the Department of Chemistry, B.A.M. Khalsa College, Garhshankar. Assistant Professor Paramjit Kaur, an Innovation Ambassador and Assistant Professor, delivered a captivating lecture on "Problem Solving and Ideation". The session sparked a lively discussion on the art of thinking outside the box and cultivating innovative ideas. The lecture encouraged students to identify problems in their surroundings and develop creative solutions to address them and shed light on effective techniques for problem-solving and ideation. The workshop was highly appreciated by all attendees for its relevance and engaging content.

**Objectives:** To inspire and equip students with creative problem-solving skills and innovative ideation techniques to address real-world challenges.

**Benefits:** The workshop empowered students to think critically and creatively, enabling them to develop practical solutions for real-world problems.

**No. of Participating Students:** 45
