Organized an expert talk

on

**“Artificial Intelligence and
Machine Learning”**

on 25 October, 2024

The PG Department of Computer Science, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with the Institutional Innovation Council, organized an outreach activity on October 25, 2024, for the 12th-grade students of Government Girls Senior Secondary smart School, Sri Anandpur Sahib. As part of this initiative, a guest lecture on "Artificial Intelligence and Machine Learning" was delivered by Innovation Ambassador and Assistant Professor Paramjit Kaur.

During the session, Professor Kaur provided an in-depth explanation of how AI and ML can address real-world challenges, transform traditional thinking, and inspire innovative perspectives. The lecture fostered a lively discussion on leveraging technology for creative problem-solving and innovation. Attendees highly appreciated the session for its insightful and engaging content.

Objective: To introduce students to the fundamentals of Artificial Intelligence and Machine Learning, emphasizing their applications in solving real-world problems and fostering innovation.

Benefit: The session broadened students' understanding of AI and ML, inspiring them to think creatively and embrace technology-driven innovation.

No. of Participating Students: 50
