

Workshop on cake making

Department of Agriculture

Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

The Department of Agriculture in collaboration with Institution's Innovation Council (IIC) organized a workshop on cake making on 14-2-2025, where students learnt the technique of cake preparation. Students of B.Voc Food processing and B.Sc (H) Agriculture participated in this workshop. The objective of the cake making workshop was to provide participants with hands-on experience in making delicious cakes and to equip them with the necessary skills and techniques to become confident bakers. Principal Dr. Jasvir Singh appreciated the efforts of both students and faculty members and encouraged them to participate in such activities in future also, to enhance their entrepreneurship skills. The event was coordinated by Prof. Bhawna Thakur (HOD), Prof. Yashpreet Kaur, Prof. Kirandeep Kaur, Prof. Gurpreet Singh, Prof. Sanampreet and, Dr. Sarvan Kumar. IIC member Dr. Gurpreet Kaur, Prof. Tejinder Kaur were also present.

Objective- To equip participants with the knowledge and skills required to make delicious cake.

No. of students participated- 52
