

P.G. Department of Mathematics in collaboration with Institute's Innovation Council, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib celebrated "World Creativity and Innovation Day" on 22nd April, 2024. On this day, power point presentation competition was organized on the topic of Creativity and Innovation. Students from various streams participated in this event and have made wonderful presentations. The convener of the program Dr. Mandeep Kaur welcomed all the participants and conducted the program. Principal Dr. Jasvir Singh appreciated the students for their remarkable presentations and encouraged the students to participate in future in these kind of events to develop their skills. The event was judged by Dr. Darpan Sood, Mathematics department and Prof. Tajinder Kaur, Computer Science department. The competition was so interesting as participants shared their views on various subtopics of creativity and innovation. The students feel very motivated after the competition and they give their positive feedbacks for the program. At last, the prizes were distributed to the winners of the competition.
