

Preparation of Banana Chips

The Department of Agriculture and Food Processing, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib prepared Raw Banana Chips of the bananas harvested from the campus experimental area. The chips were prepared by the faculty members in the Food Processing Laboratory on 3 December, 2020. From two bunches of banana, around 2.5 Kilogram chips were prepared and sold in the campus. Under the guidance of Ms. Bhawna Thakur, Head, Department of Agriculture the activity was convened by Ms. Aditi Sharma, coordinated by Ms. Kamlesh Kumari, Ms. Kirandeep Kaur, Er. Gurpreet Singh and co-coordinated by Ms. Parminder Kaur, Mr. Gurpreet Singh and Mr. Karanjot Singh. The Principal Dr. Jasvir Singh and Vice- Principal Dr. Maninderjit Kaur Kang, highly appreciated the efforts of staff members and relished the banana chips.
