

Educational visit to Meteorological Center Chandigarh

The Department of Geography, Sri Guru Teg Bahadur Khalsa College, Sri Anadapur Sahib organized educational visit to Meteorological Center, Chandigarh for U.G. Classes of geography on 14 March, 2019. A total of 40 students visited the Meteorological Center, Chandigarh. Sh. Surender Paul, Scientist-E & Incharge, was the resource person for the event, who gave knowledge about the instruments used by Meteorologists for weather forecasting. The primary objective of this visit was to explore bright young students to the innovative/sophisticated techniques used by Meteorologists and to find out the career opportunities available in the meteorological studies. Prof. Daljeet Kaur, Department of Geography, was the local coordinator of this visit.
