

PG Department of Commerce and Management

Industrial Visit Report

The Industrial visit was organized on October 23rd, 2021 to Vardhman Special Steel Co.Ltd. Ludhiana. Total 49 Students of B.Com. and M.Com. classes accompanied by four Faculty members. Initially there was a presentation on the working, capital structure and manufacturing process of the company presented by Miss. Manjeet Kaur (HR Department), Mr. Ashish (Technical Department). Thereafter at 12.00 pm students were taken on a round to the plant area to watch actual Manufacturing process. Students had an opportunity to see steel manufacturing environment. Students were exposed to process layout plan, manufacturing resources, safety norms and material handling equipments and finished products which provided access to actual work environment. As a part of excursion students also visited gurudwara Katana sahib and in the evening enjoyed at Ropar Haveli. The industrial visit was a great success.
