

Industrial Visit

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. An industrial visit to CS Soft Solutions, and ThinkNext technologies private limited , Industrial Area Mohali, Punjab was organized by Department of Computer Science, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib under DBT Star College Scheme on 23rd April,2022.

Main aim industrial visit is to provide an exposure to students about practical working environment .They also provide students a good opportunity to gain full awareness about industrial practices

A group of 50 students of P.G. Department of Computer Science got an opportunity to learn the basics of computing and technology lying at the company site accompanied by faculty members Prof. Harpreet Kaur , and Prof. Gurmeet Kaur of Computer Science Department.
