### An Educational Trip to Government Fish Farm & Archaeological Museum Ropar

(5<sup>th</sup> May, 2022)

The PG department of Zoology organised an educational trip to Government Fish Farm & Archaeological Museum Ropar on 5<sup>th</sup> May 2022 for students of BSc Medical Second Year. The main motive of this trip was to show aquaculture techniques and hands on tools training about fish farming to the students. Mr Jatinder Singh Gill, Senior Fisheries officer, Ropar demonstrates the fish farming techniques to the students and answers their queries. This trip also provided a chance to students to witness the evolutionary timeframe and related evidences in Archaeological museum. A group of 22 students and 2 teachers (Prof Mancy Mandal and Prof Komalpreet Kaur) of PG Department of Zoology was part of this tour.
