

Outreach Activity
Interactive Visit of the School Students
February 20, 2023

For imparting science knowledge and spreading awareness among the school students, Govt High Smart School, Kalwan, Govt. Senior Secondary Smart School (Boys) Nangal, Govt High School, Nangram, Govt High School, Ghahi Majra Roopnagar many other school to the Chemistry Department, S G T B Khalsa College, Sri Anandpur Sahib on 20-02-2023. More than 200 students of +1 & +2 classes took part in this interactive visit. Dr. Amandeep Saroa and Prof. Tanvir kaur, made aware the students about Chemistry practicals, research activities in the department and career opportunities in the field of Chemistry. The students were taken to Organic, Inorganic, Physical, and other various Research Labs in Chemistry department. The main objective of this outreach activity was to create/ignite the scientific mind in young talent. The purpose was fulfilled as almost every student had many basic queries and it was felt that they were extremely satisfied and happy during the visit.
