Department of agriculture

Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

Madhuwan Vatika Public School, Nurpur Bedi, Punjab visited department of Agriculture of Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib on 17-01-2023. Students visited all the labs of the department. Prof. Kamal Kumar (HOD) and Prof Gurpreet Singh thoroughly explained the significance of agriculture in our life. Students visited polyhouse of the department and learned the cultivation of various crops grown there. They were also exposed to the vermicompost and mushroom cultivation unit of the department. Such visits motivate the students towards agriculture and provide knowledge about the degree.
