

Exhibition

Department of agriculture

Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

The department of Agriculture organized an exhibition on Science Fest on dated 01-03-2023. Prof. Gurbinder Kaur and Prof. Yashpreet Kaur coordinated this exhibition. The Department exhibited different varieties of flowers such as Ranunculus, Tulip, Gazania, Petunia, Pansy, Antirrhinum, Daisy, Ice plants, Dianthus & indoor plants like Ghost's Tail, Gun Powder plant, Stardust, Begonia, Mother of Pearl etc. and Dish gardens. These plants were grown by students themselves. Food processing students also exhibited the food products prepared by students like Papaya Jam, Apple Jam, Coconut balls, Marmalade, Banana chips, Potato chips, Lemon pickle, Chilli Pickle and dried Stevia. Principal Dr. Jasvir Singh appreciated the students and also motivated them to learn the practical skill effectively by use of which they may become entrepreneurs in future or grab the opportunities.
