

Excursion tour to Rishikesh, Haridwar and Dehradun

On 29th March 2023, 55 students from M.Sc. Chemistry and B.Sc. (Honors) Chemistry M.Sc. Physics, Accompanying with teachers Dr. Amandeep Saroa, Dr. Amrit Singh, Prof. Pratibha Sharma and Prof. Tanvir Kaur for three-day excursion trip to Rishikesh, Haridwar and Dehradun.

We arrive at Haridwar at 08:00 AM on 30th March 2023 and stayed at hotel. On first day Rishikesh was explored by the students. Further students have enjoyed tracking, boating and rafting and they also visit famous Hemkunt Gurudwara. In evening all the members reached at Har Ki Paudi of Haridwar for taking part in evening Aarti. After that at 8:30 PM we reached at hotel again. On day 2, 31st March 2023, we left the hotel from Haridwar and move toward Dehradun and reached by 11:00 AM at hotel. We leave the hotel and visited Forest Research Institute (FRI). This institute is a Tourist Hub the Building and Infrastructure was built by British people have to purchase a ticket to see the Beauty of FRI. FRI is having rich and beautiful Flora and Fauna. The campus is picturesque and is indeed one of the most beautiful campuses across the country. The lush green campus spread over 1200 acres gives you all you need as a student or a professional and the natural ambience is really useful to stay focused. After that we visited Tapkeshwar temple of Lord Shiva and enjoyed the peacefulness of the environment of the temple. We reach hotel at 7:00 PM and the students enjoyed the dinner with DJ party.

On day 3, 01st April 2023 we leave the hotel and explore the adjoining places of Dehradun like, Minrolling monastery and Seharstradhara water fall and rope way. After enjoying the sunset, we leave Dehradun and reached Paunta Sahib at 11:00 PM. All of us enjoyed the langar at gurudwara sahib. In last we leave the Paunta Sahib at 01:00 AM and reached the college at 5:00 AM on 02nd April 2023.
