

Educational Visit

Department of agriculture

Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

Students of B.Sc (Honours) Agriculture of Sri Guru Teg Bahadur Khalsa College, visited the honeybee farm built by Ashwani Kumar Shukla at village Jandla, district Roopnagar on 09/11/2022 and through this visit students gained information regarding Apiculture. On this occasion, Ashwani Kumar Shukla, the operator of the bee farm, informed the students about the whole process of beekeeping and honey extraction. The principal Dr. Jasvir Singh has said that the college has always tried to provide more of practical knowledge to the students so that may help them in their own business. Prof. Bhawna Thakur HOD (Department of Agriculture) has also motivates the students for such visits and this tour was conducted under the supervision of Prof. Gurpinder Kaur and Prof. Gurpreet Singh.
