

One Day Field Visit/Plant Excursion Tour to Raipur and adjoining areas (01-05-2024)

P.G. Department of Botany organized one day tour to Raipur and adjoining areas on 01-05-2024. The students of B.Sc. Medical (VIth Semester), M.Sc. Botany (2nd Semester and 4th Semester) collected samples of wild, medicinal plants of different taxonomic categories and studied plants growing in their natural habitat. Students observed and studied various types of herbs, shrubs and trees. Dr. Ravi Kant, Dr. Sartaj Singh and Prof. Gurleen Kaur helped the students in the identification of these plants.

Some photographs of the tour are:
