

Paper reading Competition

PG Department of Commerce and Management organized “Paper Reading Competition” Competition on August 29th, 2024. The students of all first-year classes (both UG and PG) of the department participated in the event. Current issues like: Artificial Intelligence: Boon or Bane, Importance of Internships for career growth and role of college education in personal development were the main themes to be discussed. The main aim behind the competition was to boost knowledge, develop time management, build confidence, fosters critical thinking and enhance the presentation skills of the participants. Principal Dr. Jasvir Singh, appreciated the department for organizing the event. Dr. Navjeet Kaur, Dr. Manpreet Kaur and Dr. Hardeep Kaur were the coordinators of the event.
