Visit to RS Farm

The Department of Agriculture, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with IIC organized a one-day educational visit to RS Farm in Bahadurpur, Ropar on September 4, 2024, as part of a signed Memorandum of Understanding (MoU). Students from B.Sc. (Hons.) Agriculture, Semester II & VII, and B.Voc. Food Processing, Semester I, participated in the visit. During the trip, students were exposed to various livestock management techniques, including milking, housing management, and silage production. They also learned about biogas production, which is utilized to generate electricity for the village. Under the guidance of Prof. Bhawna Thakur, Head Department of Agriculture, Prof. Kirandeep Kaur and Prof. Sanampreet accompanied the students on this educational excursion. Dr. Jasvir Singh, Principal of the college, encouraged the students to develop entrepreneurial skills by engaging in such practical learning experiences.

Objectives- Exposure of students to various livestock management techniques.

Benefits-Enhancing practical skills and motivate the students for start-ups
