

## Industrial Visit to Rural Entrepreneurship Development

The PG Department of Commerce and Management of the college organized a one-day industrial visit to the Regional Entrepreneurship Development Centre (RCED), Mohali on November 27<sup>th</sup>, 2024. The primary objective of the visit was to raise awareness among students about skill development and entrepreneurship opportunities. The visit was organized under the guidance and support of the College Principal, Dr. Jasvir Singh. He encouraged the participating students to acquire knowledge in skill development and explore employment opportunities in the field of entrepreneurship. He also commended the department for conducting such an educational initiative. Dr. Manjeet Singh, Head of the PG Department of Commerce and Management, emphasized the importance of skill education, highlighting that it is essential for personal and professional growth in today's dynamic environment. This visit proved to be an enriching experience for the students, equipping them with valuable insights into skill development and the entrepreneurial ecosystem. Approximately 40 students from various classes within the department participated in the visit. The event was effectively coordinated by Dr. Navjeet Kaur, Dr. Hardeep Kaur and Prof. Sukhwinder Kaur.
