

Visit to Kisan Mela, Ballowal Saunkhri

Department of Agriculture

The Department of Agriculture, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib organized an educational visit to the Kisan Mela held at Ballowal Saunkhri on 07th March 2025. A total of 21 students from B.Sc. (Hons.) Agriculture, Semester VII, participated in this enriching experience. The primary objective of the visit was to familiarize students with the latest developments in agricultural technology, including advanced machinery, innovative farming techniques, and newly developed crop and seed varieties. Students had the opportunity to interact with experts, explore agricultural exhibitions, and gain valuable insights into modern-day farming practices. During the visit, students and faculty members purchased various items such as quality seeds, nursery plants, farm implements, ready-to-eat products, handcart goods, and agricultural literature, enhancing both practical knowledge and exposure. The visit was conducted under the supervision of Prof. Bhawna Thakur (Head of Department) and coordinated by Prof. Sanampreet, Assistant Professor, Department of Agriculture. Principal Dr. Jasvir Singh appreciated the efforts of the faculty and students for organizing and participating in such insightful academic excursions, which play a vital role in bridging the gap between theoretical learning and practical application.
