

Poster making and Slogan Writing Competition

Department of Chemistry organized a poster making and slogan writing competition on the topics “Climate Change and Chemistry/Chemistry in Everyday Life/Chemistry the Key to unlocking Innovation.” The event was aimed to sensitize students regarding the implication of the subject in Day to Day life. Students came up with beautifully made posters and slogan on the topics. The event was concluded by the distribution of prizes to the winners by principal Dr. Jasvir Singh Ji. Dr. Singh congratulated all the participants for their participation in such events for a holistic development.

Some Glimpses of the Event
