Educational Visit to IIT Ropar on 28th April, 2025

Institution's Innovation Council (IIC) in collaboration with PG Department of Computer Science and Department of Agriculture at Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib organized a one-day educational visit to IIT Ropar on April 28, 2025.

A group of 49 enthusiastic students participated in this visit. They were accompanied by Prof. Jashan and Prof. Jyoti from the Department of Computer Science, and Prof. Harpreet from the Department of Agriculture.

During the visit, the students had the opportunity to explore the vibrant research environment at IIT Ropar. They visited various advanced laboratories and innovation centers and interacted with faculty members and researchers. Special sessions were conducted to introduce students to ongoing research projects, startup initiatives, and technological advancements across diverse fields, including Computer Science and Agriculture.

Principal Dr. Jasvir Singh appreciated Dr. Gurpreet Kaur, IIC president and Dr. Surender Kumar for organising such events. The event was coordinated by Prof. Tajinder Kaur, Assistant Professor, Computer department and Prof. Bhawna Thakur, Head Department of Agriculture.

The visit proved to be highly enriching and inspiring for the students.

Objective: To expose students to advanced research, innovation, and entrepreneurial opportunities through an educational visit to IIT Ropar.
