

TREE PLANTATION DRIVE AS A COMMUNITY OUTREACH ACTIVITY ON 07-AUG-2025

In a commendable step towards environmental sustainability and community development, students from PG Department of Commerce and Management of Sri Guru Teg Bahadur Khalsa College ,Sri Anandpur Sahib organized a tree plantation drive in Mahain Village on August 7, 2025 This initiative was part of the ongoing community engagement program aimed at promoting green practices and raising ecological awareness .

Students from B.voc (H&T),B.Voc (RM), BBA& BAF actively participated in the event. In Co-operation with village Sarpanch Mamta Devi, students planted 25 saplings of native species such as Neem, Mango, Ashoka, Blueberry and Guava around the playground of the Village .Dr. Kamaljeet Singh (Assistant Professor H&T department) facilitated the plantation program in the Village. The College Principal Dr. Jasvir Singh appreciated the event. Dr. Manjeet Singh, HOD Commerce and Management said, "The initiative reflects a growing sense of environmental responsibility among youth and highlights the impact of grassroot efforts in fostering sustainable development." The event was coordinated by Prof. Poonam and Prof .Varinder Kaur.
