

## **Educational Visit to Pushpa Gujral Science City on September 24, 2025**

The P.G. Department of Computer Science, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur, under the DBT Star Status, Government of India, organized an Educational Visit to Pushpa Gujral Science City, Kapurthala on September 24, 2025. The Visit was specially arranged for 125 students from BCA-5<sup>th</sup> Sem. Our Institution believes in using modern and innovative methods of teaching and enhancing the level of competence amongst students. The objective of this visit was to develop scientific attitude among students. There are so many unique and exciting exhibits and shows at the Science city that the students will never forget. In space and aviation gallery, they learnt about the exploration of the sky and solar system and celestial bodies out in the sky. The students were quite excited to see an airplane model made by Wright Brothers. The exclusive thing was Dinosaurs Park for our students which were full of life sized replicas of those terrifying ancient creatures alongside explanations about their lives and extinction. The students also see and learn about new inventions and discoveries in various sections in Digital Planetarium 3D Show, Climate Theater, Laser Show, Flight Simulator, Dome Show and Life through Ages. Overall, it was a well-planned and conducted educational trip.

On this event, Dr. Jasvir Singh, Principal of the college, appreciated the efforts of the Computer Science Department in organizing such experimental learning opportunities. The event was successfully organized under the guidance of Dr. Surender Kumar, head of the P.G. Department of Computer Science, who emphasized the importance of such educational visits in bridging theoretical knowledge with real-world scientific exploration. The visit proved to be highly informative and engaging, allowing students to connect classroom learning with real-life scientific applications.

The Students were accompanied by faculty members Dr.Kamaldeep Kaur, Prof.Rajwinder Kaur, Prof.Gurmeet Kaur, Prof. Ashima, Prof.Shilpa Chaudhary and Prof. Anju Saini, who efficiently organized the entire visit, ensuring its smooth execution and success.
