

# SRI GURU TEG BAHADUR KHALSA COLLEGE SRI ANANDPUR SAHIB

## PG DEPARTMENT OF ZOOLOGY

### REPORT

#### ONE DAY EDUCATIONAL VISIT TO KISAN MELA PAU LUDHIANA

27<sup>th</sup> SEPTEMBER 2025

The PG Department of Zoology at Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, successfully organized a one-day educational visit on September 27, 2025, for students pursuing BSc Medical and MSc Zoology programs to the Kisan Mela held at Punjab Agricultural University (PAU) in Ludhiana. This initiative aimed to provide hands-on exposure to advancements in agriculture, biodiversity, and sustainable practices, aligning with the department's focus on interdisciplinary learning in zoology and environmental sciences. Over 50 students participated, engaging in interactive sessions, exhibitions on modern farming techniques, livestock management, and bio-diversity conservation, which enriched their understanding of real-world applications of their studies and fostered discussions on the intersection of zoology with agricultural ecosystems. The visit was well-received, with faculty highlighting its role in bridging theoretical knowledge with practical insights, and plans for similar excursions in the future were discussed. Dr. Amandeep Kaur, Head of the Zoology Department, encouraged the students, explaining the critical role of such visits in personality development, while Principal Dr. Jasvir Singh inspired them to embrace such practices for a getting better opportunities for their future. Faculty members, including Dr. Avinash Kaur, Dr. Shelly and Dr. Ruchika, accompanied the students for visit, adding to its success.
