

Report on Debate on Union Budget Highlights

The Department of Economics successfully organized a Debate on the Highlights of the Union Budget with the objective of enhancing students' understanding of economic policies and encouraging critical thinking on contemporary financial issues.

The event was organized at 10:20am to 11:00 am under the able guidance of the Convenor, Dr. Jasvir Singh, Principal of the institution. The programme was efficiently coordinated by Dr. Shaveta Kaushal, along with Ms. Amandeep Kaur and Ms. Manpreet Kaur.

The debate witnessed enthusiastic participation from students of M.A. Economics I and II year, who presented their views on various aspects of the Union Budget, including economic growth, taxation policies, public welfare schemes, fiscal deficit, and development priorities. The participants critically analyzed both the positive and challenging aspects of the Budget, showcasing their analytical skills, subject knowledge, and awareness of current economic issues.

The event commenced with a motivating address by the Principal, who encouraged students to actively engage in academic discussions and develop a deeper understanding of economic policies that shape the nation's future. His inspiring words set a constructive tone for the debate.

Overall, the debate proved to be highly informative and intellectually stimulating. It provided a valuable platform for students to express their ideas confidently, enhance their debating skills, and gain practical insights into budgetary policies. The event concluded successfully with appreciation for the participants and organizers for their collective efforts.
