

Educational visit to Cactus Garden, Panchkula and Chattbir Zoo, Zirakpur on 25.09.2025

P.G. Department of Botany, SGTB Khalsa College Sri Anandpur Sahib, under the DBT Star Status Scheme organized an Educational Tour to Cactus Garden, Panchkula and Chattbir Zoo, Zirakpur for the students of B.Sc. Medical and M.Sc. Botany. In the Cactus Garden, students observed the succulents and other plants including *Cycas* and *Adenia* growing there. Students also observed the young plantlets raised vegetatively in the nursery. In the Zoo, students observed indigenous and exotic birds, reptiles and mammals. Faculty members explained the characteristic features of plants and animals to the students during the tour. Respected Principal Dr. Jasbir praised the effort of faculty for the successful execution of the visit.
