

## Expert Talk on Career Opportunities in CMA Profession Organized Under MoU with Institute of Cost Accountants of India

The PG Department of Commerce and Management successfully organized an expert session on April 6<sup>th</sup>, 2026 under the Memorandum of Understanding (MoU) with the Institute of Cost Accountants of India (ICMAI). The session aimed to create awareness among students about career opportunities in the Cost and Management Accounting (CMA) profession. The keynote speaker, CMA TCA Srinivasa Prasad, President of the Institute of Cost Accountants of India, addressed the students and motivated them to set clear goals for their future careers. He was accompanied by distinguished professionals including CMA C.L. Bansal, CMA Maninder Singh, CMA Gurjinder Singh, and Ms. Chitra Prasad, who shared valuable insights about career prospects and professional development in the field of cost and management accounting. The event concluded with a formal vote of thanks delivered by the Principal, Dr. Jasvir Singh, who appreciated the efforts of the resource persons and emphasized the importance of such collaborative initiatives for students' career growth. The program was successfully organized by the PG Department of Commerce and Management under the able guidance of Dr. Manjeet Singh, Head of the Department. The department collectively contributed to making the event a

meaningful and successful learning experience for students. The whole programme was coordinated by Dr. Navjeet Kaur.
