

Report on Orientation Programme for First-Year UG Students

An Orientation Programme for the first-year undergraduate students of the PG Department of Computer Science was organized on 28 July 2026 in the Conference Room of Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib. The programme aimed to welcome the newly admitted students and acquaint them with the department, examination system, scholarship opportunities, library facilities, extracurricular activities, and various academic and institutional resources available to them during their college journey.

The programme was coordinated by Prof. Tajinder Kaur, Assistant Professor, PG Department of Computer Science, under the guidance of Dr. Surender Kumar, Head, PG Department of Computer Science. The programme was conducted with the support of teacher in-charges Dr. Kamaldeep Kaur, Prof. Ramandeep Kaur, and Dr. Harpreet Kaur.

The programme commenced with Prof. Tajinder Kaur, who welcomed the newly admitted students and introduced them to the PG Department of Computer Science. She provided an overview of the various programmes offered by the department, infrastructure and laboratory facilities, academic achievements, and opportunities available to students. She also highlighted the growing importance of emerging technologies and encouraged students to develop technical and digital skills along with their regular academic studies.

Thereafter, Dr. Parampreet Singh, Assistant Professor, Department of Commerce, acquainted the students with the examination system and related procedures. He explained important examination-related guidelines and responsibilities that students need to follow during their academic programme.

Dr. Davinder Singh, Assistant Professor, Department of Physics, guided the students regarding various scholarship schemes and financial assistance opportunities available to eligible students. He encouraged them to remain informed about scholarship opportunities and complete the required procedures within the stipulated timelines.

Mrs. Mandeep Kaur, Librarian, familiarized the students with the library facilities, resources, and services available in the college. She encouraged them to utilize the library effectively for academic learning, reference work, and self-study.

The students were further addressed by Dr. Jagpinderpal Singh, Head, Music Department, who introduced them to the various extracurricular opportunities available in the college. He highlighted the achievements of the institution and its students in sports, cultural events, and other extracurricular activities and motivated the newcomers to participate actively for their holistic development.

The programme concluded with an inspiring address by the worthy Principal, Dr. Jasvir Singh, who warmly welcomed the first-year students to the institution. He motivated them to maintain discipline and regularity, participate actively in academic and extracurricular activities, and make optimum use of the opportunities and facilities provided by the college.

The department expressed its sincere gratitude to Principal Dr. Jasvir Singh for his continuous guidance, encouragement, and support in organizing such student-oriented initiatives. Special acknowledgement was also extended to Dr. Surender Kumar, Head, PG Department of

Computer Science, for his guidance and support in the planning and successful organization of the programme.

The Orientation Programme provided the newly admitted students with a comprehensive introduction to the academic and institutional environment of the college. It helped them understand the resources, responsibilities, opportunities, and support systems available to them and marked a positive beginning to their academic journey at the institution.
