

## Report on Webinar on Intellectual Property Rights and Patents Organised on 30.04.2022

The Department of Mathematics under the aegis of IQAC cell organised a one day webinar on **Intellectual Property Rights and Patents** on 30 April 2022. The resource person of the day was Dr. Anuradha Singh who is presently working as Assistant Professor in S.S Khanna Girl's College Allahabad in the department of chemistry. The audience of the webinar was the faculty members of our college. The webinar was organised to inculcate interest among our young faculty to get motivated towards research and have sound knowledge of IPR and Patent filing. The resource person explained in detail the various intricacies involving IPR. The idea of trademarks, Trade secret and Copy Right was beautifully explained. The whole webinar was widely attended and involved interaction between the resource person and the faculty of our college.
